

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## PREFACE.

---

The Registers of Tarrant Hinton, down to 1812, are contained in five Volumes, as follow :—

Volume I has been sadly mutilated, many pages having been entirely cut out, as detailed below. It is made of parchment, measuring 13 in. long by 6½ in. wide, but has no cover. Baptisms commence in 1545 and continue to 1601, when two pages have been cut out which contained entries from 1601 to 1621. From 1621 they continue to 1718, when from 1719 to 1728 baptismal entries are wanting. Burials range from 1545 to 1688, when nine pages have been cut out containing entries from 1688 to 1728. Marriages from 1585 to 1612 were likewise included on these nine pages, so that they commence only in 1613 and continue to 1714. From 1714 to 1729 they have also been cut out.

Volume II contains seventeen parchment leaves, and measures 13 in. long by 8 in. wide, and is bound in parchment. The Baptisms, Burials and Marriages are mixed together from 1729 to 1754, when the latter are continued in a separate volume as is usual at this period. The Baptisms and Burials are continued from 1755 to 1783.

Volume III is a thin book of four parchment leaves of same dimensions as Volume II, and is bound in calf. It contains Baptisms and Burials from 1783 to 1799.

Volume IV contains seventeen parchment leaves used, the remainder being blank. It measures the same as Volumes II and III, and is bound in calf and lettered

outside TARRANT HINTON—Rev. T. Diggle—Rector—1799. It contains Baptisms and Burials from 1799 to 1812.

Volume V measures 16 in. long by 11 in. wide, and contains the usual printed forms of Banns and of Marriages. The former, from 1754 to 1809, occupy eleven pages at the beginning of the Volume, the remainder being unused, and further on the Marriages from 1754 to 1812 occupy twenty-two pages, the remainder being unused. This Volume is bound in calf.

The transcript of this Register was made by the late Rector, the Rev. Alfred Stilgoe Newman, in 1895, when he expressed to the Editor his great desire to see it printed. His widow, to whom the thanks of the Society are due, placed the manuscript in the hands of the Parish Register Society for this purpose. By the permission of the present Rector, the Rev. E. J. Heriz-Smith, the printed register has been collated with the originals.

He was Prebendary of Woodford, 25 May 1425, till 1428, and Prebendary of Bitton, 12 July 1428 till 1447. Both Prebends are in Salisbury Cathedral.

**HENRY MOREY** became Rector of Laverton, Somerset, 6 Oct. 1410, but exchanged it in a month for Tarrant Hinton, where he was inst. 1 Nov. 1410. He was Canon of Wells and Prebendary of Wedmore secunda Jan. 12, 1409. On 2 Jan. 1412, he became Rector of Limington, Somerset, having exchanged with

**JOHN CLERE** (not **CLEUE**, as Hutchins says) als. **SMYTH**, inst. 27 Dec. 1412. He was made Subdean of Sarum 22 June 1410, which in a few months he exchanged for the Rectory of Limington, Somerset, where he was inst. 7 Nov. 1411, which in a year's time he exchanged for Tarrant Hinton. On 20 May, 1422, he became Rector of Kilming-ton, Somerset, by exchange with John Laurence. He resigned Kilming-ton in 1425.

**JOHN LAURENCE** (not **LAVERANS**), was Rector of Kelston from 15 Feb. 1415 till 1420, and became Rector of Kilming-ton, Somerset, 19 Feb. 1421, which he exchanged for Tarrant Hinton with John Clere, where he was inst. 11 May, 1422, and resigned in 1441.

JOHN STOKYS was inst. 14 March, 1470. One of this name (who was Canon of Wells) was Vicar of St. Cuthbert, Wells, 13 Jan. 1453, which he resigned in 1471, and Rector of Ilminster from — till his resignation in 1468. He resigned Tarrant Hinton in 1486, and was succeeded by

JOHN NEWMAN, Chaplain, who was inst. 13 April 1486, and resigned in 1514.

THOMAS WEEVER, M.A., inst. 3 March, 1514. He died 1536. One of this name was Prebendary of Warminster, in Salisbury Cathedral 1 Aug. 1517, till he resigned in 1520.

GEORGE NEWDIGATE, M.A., inst. 3 March, 1536, who resigned 1538, and had a pension of £4.

RICHARD PORTER, presbiter, M.A., inst. 20 March 1538.

THOMAS DUGDALE, of co. Lancaster, pleb., St. Alban's Hall, Oxf., matric., entry under date 28 Feb. 1580-1, aged 22; B.A. from Trinity Coll., Oxford, 22 Feb. 1586-7; inst. 27 May 1585.

PHILIP DUGDALE, probably son of the last, Magdalen Hall, Oxford, matric. 12 April 1616, aged 18; B.A. from Lincoln Coll., Oxford, 10 May 1619; M.A. 26 June 1622. Inst. 1639. Sequestered, but not entirely. Hutchins says he died before the Restoration, but this is probably incorrect, as one of this name was Rector of Farnham, Dorset, 1662 to 1674. The Return of the Commissioners in 1650 was "Wee present that the yearly value of the parsonage is £100 p. annum and that Mr. Phillip Dugdale is the present Incumbent there and receives the greatest parte thereof to his own use and supplys the Cure himself and is a very able Minister."

TIMOTHY SACHEVERELL, son of John Sacheverell, of East Stoke, Dorset, St. John's Coll., Oxf., matric. 19 May 1637, aged 17; B.A. from Trinity Coll., 25 Feb. 1640-1. A Non-conformist divine. The earliest mention of him in these Registers is in 1653, where he was Rector until ejected in 1662, when he removed to Winterburn, thence to Enford, Wilts, and finally to Devizes. On his ejection from Tarrant Hinton he was

offered by the patron (Mr. Moore, of Spargrove) to hold that living, but refused. He was great-uncle to the famous Dr. Henry Sacheverell, and died in 1680. A pedigree of the Sacheverell (or Cheverel) family will be found in Hutchins, vol. i, p. 414.

**JOSEPH TINDALL**, Magdalen Hall, Oxford, matric. 19 Nov. 1650, B.A. 14 Dec. 1655; M.A. 17 June 1657. Inst. 1662 or 1663.

**RICHARD FOWLER**, son of Richard Fowler, of Crewkerne, Somerset, pleb., Exeter Coll., Oxford, matric. 14 March 1662-3, aged 18; B.A. 1664; M.A. 1667. Vicar of Swell, Somerset, 20 Sept. 1668, and of Fivehead, Somerset, 27 July 1671, both of which livings he held till his death in 1689. He could have been here only between 1666 and 1668. There is now no mention of him in the Register, but Hutchins, i. 317, quoting from pages of the Register since cut out, says, "Richardus Fowler, clericus, nuper de Westerburgh in com. Gloucester, (buried) tertio die Martii 1689."

**JOHN RYVES**, LL.D. Hutchins gives no date, and there is no mention of him in the Register. Was he the Archdeacon of Berks, who died 19 Aug. 1665, *see* Pedigree of Ryves, Hutchins, iv. 96?

**JOHN CRABB**, son of William Crabb, of Childe-Okeford, Clerk, Exeter Coll., Oxford, matric. 7 April 1682, aged 16; B.A. 1685; Fellow, 1687-94; M.A. 1688. **JOHN COWARD**, son of John Coward, of Batcombe, Somerset, armiger, Wadham Coll., Oxford, matric., 17 March 1740-41, aged 18; B.A. 1744. Inst. here 23 April 1774. Died 1 Dec. 1781, according to Hutchins, but 19 Nov. 1781, aged 61, according to the Register.
